HITBOUND

ENGLAND DAN & JOHN FORD COLEY/

IT'S SAD TO BELONG

big tree records

From the pen of Randy Goodrun comes England dan and J. F. Coley's third hit single; a mellow ballad about longing for love.

ANDY ADAMS AND EGGCREAM/CAN I STAY

* I THINK IT'S TIME WE MET

pyramid records

It's been a long time since a record with to potential hit sides came along. While both sides are good, we prefer the flip side "I Think It's Time We Met". Egg Cream's style is impossible to catagorize.

NEW

KENNY RANKIN/ON AND ON

little david records

Kenny Rankin has been doing great music for some time, and this is no exception. Beautiful harmonies and lush orchestration combine with the lead vocals to produce a good sound. Rankin gives this Stephen Bishop composition a flavor of his own.

MARSHALL TUCKER BAND/HEARD IT IN A LOVE SONG
capricorn records

Long a favorite of countrified-rock fans, Marshall Tucker Band finally has a pop hit of note. The rough style and lilting harmonies combine well.

From the WLRN Program Director:

It has been my extreme pleasure and honor to serve as the WLRN Program Director for the past year. At this time I'd like to thank all of my staff members for a job well done, and to our graduating seniors, Martha Hutton and Art Thum, we all wish you continued good luck in life.

Have a happy and healthy summer, and see you next year.

Sincerely,

Jan A. Lewis
WLRN Program Director

And so WLRN concludes another semester. Election time has come and gone, and Gene O'Brien has taken over the station Program Directorship from Jan Lewis. Bob Fisher, former Assistant Music Director, has been promoted to Music Director. We hope that these two men will do as good a job as their predecessors.
